LEARNING FOR LIFE

LEARNING FOR LIFE

ADVANCE AUSTRALIA FAIR

Australians all let us rejoice,
for we are young and free.
We've golden soil and wealth for toil,
our home is girt by sea,

Our land abounds in nature's gifts
of beauty rich and rare.
In history's page, let every stage
Advance Australia Fair.

In joyful strains then let us sing
Advance Australia Fair.

Welcome to Country

PARENTS & CITIZENS ASSOCIATION REPORT

Dear Students, Staff, Parents & Carers,

On behalf of the Vincentia High school P&C I would firstly like to commend and express the P&C's gratitude to the principal Ruth Winfield and her fabulous staff who have gone above and beyond to support the wellbeing and educational outcomes of our children in an unprecedented year of bushfires and remote learning through COVID 19. I would also like to congratulate the resilience of the student body especially Year 12 who have ended their school journey at Vincentia High and we wish them every success in their future endeavours.

The Vincentia High School Parents and Citizen 2020 had the following Committee;

President: Nina Santangelo

Vice President: Liz Folkard

Secretary: Michelle Graham

Treasurer: Louise Marr

Canteen Coordinator & Treasurer: Jenny Moffatt

I would like to thank the Committee for their attendance at Zoom meetings throughout the year and their valuable contribution and commitment to the P&C in 2020.

The Vincentia High School P&C directly benefits from the School Canteen. The amazing canteen manager Mary Nelson and her team have been doing some great things to bring healthy, delicious food to VHS school community every day! Mary Nelson has retired this year and she has spent many unpaid hours shopping for specials and home cooking to keep the food fresh, healthy and affordable. Due to her commitment the canteen has incredibly donated over \$600,000 to the school since she started in the canteen 28 years ago. The Vincentia High School P&C would like to acknowledge and commend the tireless efforts of Mary and her canteen team and wish her a well- deserved retirement.

The canteen is a valuable service provided for our students and teachers and manages to secure considerable funds from canteen sales and is directly donated back into the school via donations to the P&C, which in turn provides some things, which may not otherwise have been available, to enhance the school and it's environment for our children.

The P&C has had the privilege to provide funds for a variety of projects and departments at Vincentia High School. In 2020 funding from the P&C is contributing towards improving learning spaces around the school for example the landscaping of the Yarning Circle and the TAS gardens, the resurfacing of the basketball courts and the development of the collaborative mathematics learning spaces and the performance space. The P&C is also supporting the purchasing of music equipment, iPads, mountain bike jerseys and dance costumes as well as sponsoring the Booderee Bush Blitz event.

Other P&C goals are to contribute \$40,000 towards the cost of a new bus for the Support Unit in 2021.

This has been so exciting for the P&C to be able to support some major projects for Vincentia High and we can't wait to see them come to fruition.

Successful education of students in the 21st Century demands a partnership - teachers, students and parents working together. The P&C invites all parents and carers to participate and become active members of Vincentia High's Parents and Citizens Association.

The P&C Association meets the 4th Monday of each term. The association is informed on current issues and is given the opportunity to provide input on decisions relating to all aspects of the school. A large representative membership is going to make the P&C more effective and is very much appreciated as many important school matters are discussed and we like to know we have a representative view of parents involved in decisions. We look forward to continuing to contribute to the ongoing success of Vincentia High School and we would love to see new members in 2021!

Nina Santangelo

VHS TEAM AWARD

Awarded to Wakakirri

Wakakirri was paused for a large part of 2020 while the event was restructured to enable schools to continue to participate. A new category was established to allow schools to create a Story-Dance and submit this by video. Our team worked extremely hard when returning in Term 3 to develop their production in only 10 weeks to then film and submit for judging. We were lucky enough, through funding received from the P & C to have our story professionally staged and filmed here at school by Everlight Productions. This was a fun and exciting experience for our team to gain a new experience. The final product was incredible and we are so proud of what our team of 20 produced in such a short time. Our story aims to promote inclusivity within our school and the wider community through an engaging performance of dance. We were awarded the best social and current affair story award and were again nominated for story of the year. This team has demonstrated great commitment and responsibility to develop their production during the unique times of 2020 and are very deserving to be awarded this years Team Award.
