About the Course

The Drama HSC is a hands-on exploration into the world of the dramatic arts. One minute you're a puppy dog and the next your royalty, you'll tackle tongue twisters and learn how to control your body and voice. As long as you are open-minded and willing to be pushed out of your comfort zone, Drama could very well be the subject for you. [Find out more here.](#)

What You Will Do

You will study traditional Australian plays, acting techniques, and contemporary theatre styles. With a ratio of 60% practical and 40% theory, we teach you through practice so you have the best chance at excelling in this subject and beyond.

Future Opportunities

HSC Drama supports students accessing a range of carrier options. These include roles as actors, directors, lighting/costume and set designers through to graphic design and journalism. Outside the arts, any career that relies on soft skills such as interpersonal, critical and creative thinking skills or problem and conflict resolution are also supported by our subject.
