LEARNING  
FOR  
LIFE

## WELCOME TO NEW STUDENTS

Welcome to Vincentia High School. I am the Principal here and my name is Ms Ruth Winfield.

I am sure you are ready to start your new adventure at High School. I am looking forward to meeting you and learning how you can work co-operatively to contribute to the success of the school and your own futures.

We want to encourage you to achieve your personal best through your six years of High School so that you leave us with good memories and a sense of achievement about all that you have learned. I am sure Vincentia High School is much bigger than your previous school if you are in Year 7. You will soon find your way around and quickly adapt to a bigger school. You will have many and varied opportunities to extend and deepen your learning through different subjects. The adults around you at school and home want you to be successful and will be there at different times to help you.

I am confident that you will finish high school with a strong sense of your own identity; understanding who you are as a person and what things are important for you now and in your imagined future. Over time, you will steadily make progress, sometimes this will be easier than others. You will need to take full responsibility for listening to and respecting your teachers to ensure you get the best out of every day. I want you to make the most of the learning experiences that we provide so that you can be actively involved in our community now and in the future.

At Vincentia High School we have a large support network to assist students and parents through any challenges you may be facing. Please contact your Year Advisor initially to talk about this.

Stay positive, learn to think critically and enjoy a warm welcome to Vincentia High School.

## Mobile Phones & Portable Music Players (iPods)

Mobile phones will not be permitted to be used at any time whilst at school, including playgrounds, unless a teacher gives explicit instructions for them to be used in a learning context.

## Vincentia High School *Acknowledgment System*

The Eagle Award Program is a positive rewards system that aims to recognise students who consistently display one or more of the school's core values: **RESPECT – RESPONSIBILITY – PERSONAL BEST** during class time or in the playground. All staff including non-teaching staff, office and canteen ladies can give out an Eagle Award.

As students accumulate these awards, they will be acknowledged by Year Advisors sending a letter home, presented a certificate and attend special events. The perks don't stop there, students can also use their awards at The NEST, a fun shopping experience where the currency is Eagle Award Merits. There is something for everybody - students can use each individual award to purchase something small or save their awards up for a bigger ticket item.

The NEST is located in the hall and is open at recess on the Wednesday of weeks 3, 6 and 9 each term.

**At Vincentia High School we value respect, gratitude, kindness, collaboration, self-control, optimism, grit, creativity and innovation. We love to reward students who demonstrate these values daily.**

## Attendance

### Why must I send my child to school?

The law in NSW (Education Act 1990) states that all children between the ages of six and fifteen years are required to attend school on a regular basis, this act has recently been changed from fifteen years of age to seventeen years of age. It is the responsibility of parents or caregivers to make sure that their children attend school every day.

### Must I send my child to school every day?

**YES** unless:

- Your child is too sick to go, has an injury, or has an infectious illness, for example – chicken pox, mumps or measles,
- Your child has to attend a special religious ceremony,
- There is a serious family situation which requires their involvement.

### Why is regular attendance at school important?

Attending school every day makes learning easier for your child and helps build and maintain friendships with other children. Regular attendance at school will help your child to succeed in later life. Please do not keep your child away from school for things such as birthdays, minding other children, haircuts and shopping. Always try to make children's appointments with people like dentists or doctors before or after school.

## Explanation of Absences

### What should I do if my child has to stay away from school?

It is important to let the school know when your child will be away and why your child was absent. The parent or caregiver should telephone the school explaining the child's absence. **A daily email is sent to parents whose student has been marked absent without explanation at roll call. Please reply to the email or call the school.**

### My child won't go to school, what should I do?

You should contact the Year Advisor or Deputy Principal Support & Wellbeing as soon as possible to discuss the problem and ask for help. The Deputy Principal may ask a Home School Liaison Officer to contact you to discuss the issue.

**The role of the Home School Liaison Officer** - Parents have the responsibility of ensuring the regular attendance of their children at school. Home School Liaison Officers provide additional support to students, parents and schools to encourage the full participation of all students in schooling.

## Parents and Citizens Association

The school has an active and supportive Parent's and Citizens' Association, which meets at 6pm in the staff common room on Monday, Week 4 of each term. All parents are encouraged to attend. It is a good way of getting to know the school and its operation and will ultimately be of benefit to your child.

## School Canteen

The Canteen is operated by a sub-committee of the P & C. A variety of food and drink is available from the first day of school including - pies, sausage rolls, sandwiches, rolls, milk, fruit juice, yoghurt, ice-cream, fruit, fruit salad and healthy snacks.

The Canteen will be open each day during recess and lunch. It is not essential for students to order their lunches but advisable to guarantee your choice. This can be done online through Spriggy Schools-Steps to get started: Go to [www.spriggyschools.com.au](http://www.spriggyschools.com.au) to register and download the app. Add a profile for each of your children, making sure you select VINCENTIA HIGH SCHOOL and your child's class. Start placing orders! You can place orders up to 1 week in advance AND UNTILL 9AM ON THE DAY OF ORDER.

All parents are invited to join the band of volunteers at the Canteen. This could involve one day a month from 9.30am to 1.30pm. If you can assist, please contact the canteen Manageress, Anna Butler, during school hours on 4441 6766.

## Travel

All buses serving the school are chartered school buses.

- Bus travel is free to students who reside more than 2.0 kilometres (radial distance) from the school they are attending.
- The pass is only available between home and the school for school attendance and is available on school days (Monday to Friday) only for travel commencing between 6.30 am and 7.00 pm.
- In a joint/dual custody situation, a student is eligible for subsidised travel from both the parents' addresses, subject to meeting the normal eligibility criteria.
- Bus applications are available on line at [transportnsw.info/school-students](http://transportnsw.info/school-students)
- When the passes arrive at school the Front Office will notify students.

If you require more information please go to [www.131500.info](http://www.131500.info) or call the Transport Info line on 131500.

## Parking Facilities and School Road Use:

Vincentia High School welcomes all visitors to our school. Student safety and education remains our priority. The gates at the top of the driveway for vehicle and pedestrian access will be operated electronically from the start of the 2021 school year. The pedestrian gate will be closed between 8.15am and 2.15pm with access gained by an intercom button to the front office. This is to ensure that only approved persons enter school grounds and so that the school has a record of all visitors in case of an emergency. All visitors to the school are required to sign in and out at the front office.

If a parent wishes to speak with a staff member an appointment can be made by phoning the school on 4441 6766, this will allow for an appropriate time to be scheduled and a meeting space booked. Visitors to the Uniform Shop and canteen volunteers are required to sign in and out at the office.

The vehicle access gate is for staff, emergency vehicles and contractors. The top carpark will be for staff only, students and parents can drop off/pick up or park in the front carpark or across the road at the Leisure Centre. There is also **disability parking** for **registered disabled drivers** only, at the end of the bus bay. These changes will improve traffic flow in the bus bay area before and after school.

## Students Requiring Medication

- **All students who use Asthma inhalers or EpiPens** are required to carry them with them at all times. The school does not keep Asthma medication for general use.
- **Students requiring medication as a one off eg. Antibiotics**, must provide a note with the medication, to the front office. The note must detail what the medication is, the dosage and be signed by the parent/caregiver.
- **Students who require prescribed medication on a regular basis**, must complete the necessary documentation and return it to the school. Medication will be stored securely in the front office.

**PLEASE NOTE: The school is unable to distribute Paracetamol to students**

## Care of Belongings

All students must stay in the front area and playground area near the front office of the school. No students are to be in the areas behind the school buildings.

➤ **What if I am late for school?**

Go to the Office and you will be issued with a late slip to take to class and give to your teacher. Make sure you have a signed note from home explaining why you are late, otherwise the absence will be recorded as "unexplained".

Bring a note, explaining why you need to leave early. This note must be signed and dated by a parent or carer and include your address and year. The note is to be taken to the front office at the beginning of the day. You will need to be collected by a parent. If a parent is unavailable, the parent may give written permission to the school for another person to collect you. Please ensure the adult can identify themselves through drivers licence or similar.

➤ **If I am absent for a day or more, what do I do?**

On your return hand a note in to the office staff, signed by a parent or carer, explaining the reason for your absence. The Education Reform Act of 1990 requires parents and caregivers to provide reasons for their child's absence from school.

➤ **Where do I go if I do not feel well?**

Tell your teacher who will send you to the front office with a note. The office staff will arrange for you to stay in the Sick Bay and your parent will be contacted by office staff.
