'Coondoo Classic'
South Coast Public Schools Mountain Bike Championships 2022
15 Years of the Great Race
Currambene State Forest: NSW : 8th September

Dear PE, Sport Co-ordinator & Mountain Bike Enthusiast,

I would like to take this opportunity to invite your school to participate in the 'Fifteenth South Coast Public Schools Mountain Bike Championships'. Vincentia High School and South Coast United Mountain Bikers (Scum) will be hosting the 'COONDOO CLASSIC' which is the only mountain bike event to be held in NSW for students of Government Schools by a Government School.

The 2 day event will be held at the Currambene State Forest on the 7th September and 8th September 2022.

Day 1 will consist of the track being open from 1.00pm and students are requested to have a parent or teacher from their school for supervision. This is optional for schools to familiarise themselves with the course.

Day 2 will be a 4 hour XC enduro team event. Starting at 10am, and finishing at 2pm. The event has an emphasis on team participation and is aimed at all levels of secondary school riders – both girls and boys. The XC enduro – event will consist of 3 or 4 riders in a relay style and the entry categories are broken down into school year groups (7/8, 9/10 & 11/12) with each year group having male, female and mixed teams.

Through assistance from SCUM and event sponsors, entry to the championships has been reduced to \$25 per competitor, which includes insurance and a free sausage sandwich. Soft drinks and snacks are available for purchase. There are many prizes provided by event sponsors for the place getting teams in each category, spot prizes and perpetual trophies for the winning schools in each category.

I look forward to welcoming you and your students at Currambene State Forest in September 2022. You should monitor the 'Coondoo Classic' section of the Vincentia High School website at <http://www.vincentia-h.schools.nsw.edu.au/> for updates on the event, and more news about the course as the championships draws closer. Entries will be available on the website from Monday 30th May, 2022 via a spreadsheet which you will be able to download from the Vincentia High School website or receive by emailing James Wright at james.l.wright@det.nsw.edu.au or catherine.head@det.nsw.edu. I thank you for your support and look forward to seeing you on the track.

Regards,

James Wright
