Approval of Minutes

Motion to approve minutes from last meeting.

Motion moved - Jodie Newman

Seconded – Anna Butler

Principals Report – as attached by Ruth Winfield

- Schools 30th Birthday being celebrated during Education Week – 31st July to 4th August.
- During the meeting we revisited the idea of faculties filling in a request form and returning to Ruth to take to the VHS Budget & Finance committee. They would assess what is in the schools budget before the P&C so the P&C isn't paying for something that can be covered by the school. Matt Reeves suggested having a P&C representative on the Budget & Finance committee, the rep would bring back to the P&C meeting the requests that weren't covered by the schools budget. Ruth agreed, Jodie and Daniel offered to be the P&C rep and will discuss availability when the meeting date is given to the P&C by Ruth.

From Minutes from last meeting

- Canteen Mural Update: Jaz Corr during the holidays finished the mural. All happy with the end result.
- Support Bus Update: Bus still hasn't arrived, Ruth will keep P&C updated.
- Gumbari Shed Update: Jodie still liasing with Ruth regarding this project.

General Business

- **SRC Camp** – The SRC would like to attend a camp to work on team work and collaboration. Considering early June 2023 at Stanwell Tops Conference Centre. Funds needed would be \$3,000 for accommodation and activities; \$4,140 for food. They would be looking to support approx. 15-20 students to attend. Mary thought this was a great investment for P&C funds and so did the rest in attendance. The P&C agreed to \$3,000 for the accommodation and activities and to review food costings at next months meeting when more options have been explored. Moved by Mary Nelson; Seconded by Anna Butler.
- **Anzac Day** – P&C President has been invited to attend the Anzac Day ceremony at the school, Carly will be in attendance.
- **School Hoodies** – Survey results attached. Nicole Higgins has been surveying students from Term 4 last year. Results have been collated and 75% of students have said they don't like the current school uniform jumpers. Nicole is proposing a grey hoodie with the VHS logo on it. Supplier can supply a hoodie without drawstrings. SRC were supportive of the hoodie choice and Nicole was asking for the P&C to support the hoodie also. P&C were happy to support the new hoodie. Moved by Mary Nelson; Seconded by Carly Stevens.

Meeting closed 8.40pm
