Term 4: Week 7 & 8

It has been incredible to watch the students of Vincentia High School participate in two Safe Work Induction Courses. They were the White Card Course and the Work Safely at Heights Course. Congratulations to all students who successfully completed their courses. Certificates and cards are available from Mrs McNeil.

Thank you to Admire Workplace Learning for providing the training #Skillsnotscores

## SHOALHAVEN

Shoalhaven CEF | NSW

[DONATE](#) [APPLY FOR A GRANT](#)

The Shoalhaven Education Fund (SEF) was established to provide much needed financial assistance and support to local youth to help them achieve their post high school education, training and vocation aspirations. We recognise that the cost of regional students pursuing their post high school goals is often much greater than those of their metropolitan counterparts and that sometimes these costs can be prohibitive.

With this in mind, the SEF fundraises throughout the year and accepts donations from local residents and businesses in order to provide financial grants to students who need an extra helping hand. The funds come directly from your local community – none of it is government funded – celebrating the aspirations of local youth and working to help them achieve these aspirations. It's our way of saying "we believe in you and want to support your goals".

## Aspiring Young Navy Cadets

Well done to Lani Goltz, Jye Kinsky-Young and Stella Dillon for taking the opportunity to participate in the NAVY Long Look Program this term. Their commitment to applying for the program has provided them with the experiences needed to decide if a career in the Navy, Army or Air force is for them. I would like to congratulate them on their commitment, enthusiasm and dedication to this intensive program and I look forward to sharing the same opportunities with Year 9 in 2019.

# CAREER OPPORTUNITIES

An apprenticeship that has been waiting to be filled for a while – it's located in Sydney, it's for landscaping and among other things, you will be tending to the beautiful vertical gardens around Barangaroo! As usual, someone who holds a licence is preferable, but if they live local that would be okay. If you have a student that may be interested please send me an email 😊

Also, if you are interested in the automotive industry, Vantage Automotive are running a number of Pre-Assessment & Interview Techniques workshops.

The initial workshop have already commenced but will continue running every Wednesday until the 19th December. These are being held at the Automotive Centre of Excellence at Lidcombe in Sydney.

**Vantage Group Apprenticeships are conducting INTERVIEW**

The workshop

- Language,
- Resume R
- Interview
- Mechanical (Hands-on)

The initial workshop on Wednesday 10:00 am & our website interest.
