

Minutes of Vincentia High School P&C meeting held 23rd August.

Meeting opened: 7.40pm

Present: K Cunningham, J Durante, A Bevan, A Glenday, P Dooley, T Craig, S Hammond

Apologies: J Moffat.

Business arising from previous minutes: There was no paper copy of last minutes available on the night.

Fundraising Report: Karen Cunningham gave us update of the up and coming Auction Night on Friday 7th Sep. Need everyone to sell tickets. Hoping to sell 300 tickets. They have lots of great prizes that have been donated and they will be auctioned, raffled or used in novelty events on the night. Should be a great night with free drink on arrival and finger food and entertainment.

Correspondence: Receipts from VHS for P&C donations of \$800.00 and \$20000.00

Treasure Report: Sonja Hammond (As Attached) Moved by P Dooley and 2nd by A Bevan

Canteen Report: As attached. There were two presented because of the change over from Commonwealth bank to Westpac. Canteen has still not received in the mail their first bank statement from Westpac. They are looking into why.

Change in award for canteen workers. They have all had a pay increase due to the new award. Moved by S Hammond and 2nd P Dooley.

Principals Report:

- VHS will be getting two new mini buses from the Variety Club.
- Year 9 and 10 computers confiscated because some students have been able to access face book, student records and have been using teachers pass words. Steve would like to keep all the computers and put them into a classroom and not give them back to the students.
- Steve asked for support from the P&C in regards to the school uniform. It has been a constant battle to keep students in correct school uniform as the school is trying to enforce students to wear it. Its a ongoing problem with families not wanting to abide by the original decision made by the P&C that students wear a uniform. Our school leaders and students that are representing VHS must wear full school uniform at all times.
- Monday coffee shop in the school is working very well. Teachers and year 12 are enjoying being able to buy coffee, cakes, biscuits and light lunches.
- Year 10 debating beat Nowra High School, very exciting for VHS.

- Duke of Ed starting up at VHS
- Invest Program is really good news for the students, 3 days at school, 1 day work and 1 day at outdoor Ed
- ATAR information night coming up on Thursday 30th for parents in the library
- Always lots happening at Vincentia High School and lots on offer for students.

General Business:

J Durante- National School Administration and Support staff week. Would like to thank all the SAS staff at VHS at their morning tea on Friday on behalf of the P&C.

A Bevan- James Bevan doing his year 10 work experience for a week at Raytheon and enjoying it. Coming home very tired.

Meeting closed:
