Subject: P&C feedback

Cathy

1. All P&C teacher awards have been handed out by Steve at the staff morning tea. The others will go out this Friday and I will ask somebody to take a picture.
2. The bus signage is with Jenny Moffatt. Apparently it will be done at the same time as the Variety Club signage.
3. The Lockable Bike shed. Still looking at options and trying to locate the money to build it
4. CAPA are developing a different plan for CAPA quad. not sure what it or if it includes tables and chairs for the senior students.
5. Annual Art exhibition. Curator of the Lady Denman has offered another month of exhibition space outside the Seechange festival in 2014. It is still to be approved by the Lady Denman board.
6. Steve has made the announcement at assembly that any student or parent who has issue with their report can contact the school; year advisor, Stage HT T&L or stage DP and we can fix and reprint
7. Tuesday 26th November at the Assembly time is good for the 21st birthday celebrations. Peter Dooley came and saw me Friday suggesting that this might be the time for the assembly rather than the Friday afternoon
8. Money from P&C: Steve suggested a major project roofing the basketball courts. This can be submitted for through a 1:1 grant from public works. He thinks that the application process happens about now and he is investigating this process. The money is allocated around March so it may take some time. We will need to get some idea of the cost and complications with its construction. This area would provide a very useful outdoor space, something that is limited here. Do you know of any body who could come and make a suggestion as to the construction of a COLA.
9. If you like I could ask the other people who have put forward ideas for the expenditure of P&C money to draw up a proposal to go to the next meeting???

Hope this answers all of your questions.

Gary Brady
Deputy Principal
Stage 4
