## Week 10

### Year 10 Work Experience: WEEK 11 – 9<sup>th</sup> -13<sup>th</sup> April

Firstly I would like to say a massive thank you to all our Parents, Guardians and Carers in helping them participate in Work Experience this year. It is a big step in preparing students for the transition from school to work in the following years. I hope their experience is a positive one and I look forward to seeing and hearing about their week 11 adventure out into the world of work soon. For those students who have already completed work experience or completing work experience at a different time or are not quite ready to complete it, school will run as per normal for you in Week 11.

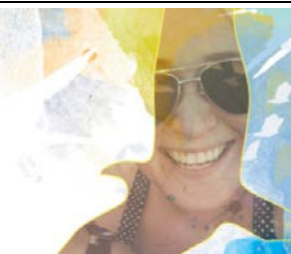

### 2018 JET PROGRAM

The Job Education Training link program delivered by Workplace Learning to assist students to achieve their learning and school to work transition objectives is open for 2018. Students who are interested in this program can visit the Careers Hub for information.

### YOUTH WEEK EVENTS – SHOALHAVEN COUNCIL

Youth Week is coming up 13<sup>th</sup> -22<sup>nd</sup> of April

Be a Ranger for a Day!

**COURSES  
AND CAREERS**

TAFE has just released the 2018 -2019 Career Guide: the careers guide provides a fantastic reference that provides a high level overview of a vast range of TAFE NSW careers areas, along with information about their support services and facilities.

Students can now request the careers guide straight into their inbox, with tailored personalised course and career advice by signing up at [www.tafensw.edu.au/ambition](http://www.tafensw.edu.au/ambition).

**UNIVERSITY OF TECHNOLOGY SYDNEY**

Has just released the new 2019 UTS Undergraduate Guides. These can be found in the library.

If you are passionate about STEM and interested in learning more about exciting opportunities within the **aerospace industry**. This is for YOU!  
**The Australian Youth Aerospace** Forum (AYAF) is an annual five-day interactive conference designed to showcase the aerospace industry to Year 11 and 12 students from across Australia.

To find out more or to apply please visit: [www.ayaa.com.au/AYAF-Bris](http://www.ayaa.com.au/AYAF-Bris). Applications are open from now until Sunday the 22nd of April.”
