Indigenous Australian Engineering School (IAES)

When: 13–19 January

Years: 10–12

The Indigenous Australian Engineering School is an annual event established by Engineering Aid Australia. Open to 20 Aboriginal and Torres Strait Islander students entering Years 10, 11 and 12, the six-day live-in school gives students a taste of engineering as a university course and career. It involves hands-on and challenging activities within the Faculty of Engineering and Information Technologies, as well as site visits to engineering companies.
