

VINCENTIA VIBE - THE VOICE OF OUR SCHOOL

Term 3 Week 6 30/08/2019

Vietnam Veterans Day

On Sunday August 18, Sussex Inlet and Huskisson RSL sub-Branches held their annual Vietnam Veterans Day Commemoration Services. The Vietnam War was Australia's longest military engagement of the twentieth century- a controversial war in which 500 Australians lost their lives.

The Sussex Inlet Combined Commemoration Service at 10.30am highlighted the service of Vietnam War veterans, National Servicemen, Korean War veterans and recognised Victory in the Pacific. Vice- Captains Tegan McKay and Ryan Phillips eloquently delivered a short presentation about the Battle of Coral-Balmoral.

Later that afternoon, and despite the terrible weather, Jenna Langenegger confidently delivered the Welcome to Country at Huskisson RSL sub-branch's Service. Lucy Swanson and Jake Carruthers read the Prologue, which they did exceptionally well.

As a member of staff, I am always proud of our students who give up their own time to represent our school and continue to strengthen the special relationship between Vincentia High School and the local community.

Spark your curiosity and connect your passions with STEM

Our four-day summer STEM Camp provides young women entering Years 10 and 11 in 2020 a fun and hands-on STEM (Science, Technology, Engineering, and Mathematics) experience and an exciting introduction to careers in STEM.

<https://www.uow.edu.au/engineering-information-sciences/stem-camp-for-girls/>

STEM (SCIENCE, TECHNOLOGY, ENGINEERING AND MATHS) CAREERS FOR WOMEN

75 per cent of the fastest growing occupations require STEM (Science, Technology, Engineering, Maths) skills and Australian employers report experiencing difficulties recruiting STEM-qualified graduates and staff. Women make up over half of our population, yet only 28 per cent of the employed STEM-qualified Australian workforce are female, 14 per cent in Engineering and related technologies, and 25 per cent in Information and Communications Technology (ICT). The ability to fully realise Australia's productivity potential and innovative capability into the future will depend on ensuring a sustainable STEM skills pipeline and effectively attracting, developing and retaining women in the STEM workforce.

Are you a young woman who is good at Mathematics and Science? Do you have an interest in not only "making things" but also "making things happen" by solving challenges and developing new ways to shape a better world? Would you like to work in a dynamic profession where you can make a MASSIVE difference? The University of Wollongong and our industry sponsors invite young women, who are entering Years 10 and 11 in 2020, to attend the STEM Camp for Girls 2020 and find more about careers in Physics, ICT, Engineering and Maths.

THE 2020 STEM CAMP FOR GIRLS

At the 2020 STEM Camp for Girls you will participate in hands-on workshops and industry visits, exploring themes of 'sustainability', 'renewable energies', 'humanitarian aid', and 'biomedicine', learning more about the various fields of Physics, Engineering, Maths, and Information Technology. You will meet STEM industry leaders and discover their contributions towards shaping a better world. The Camp will also provide an opportunity for you to find out what it's like to study STEM degrees at university and meet other women with similar interests from around NSW and the ACT.

WHERE AND WHEN

The Camp will run from Sunday afternoon January 12 to Wednesday afternoon January 15 2020. Camp participants will stay (in small groups) at a UOW student residence with a live-in student leader, a young woman who is a UOW STEM student or a recent graduate.

COST

The Camp fee of \$260 (Incl. GST and booking fee) covers all meals accommodation and activities during the Camp. Take advantage of the EARLY BIRD OFFER and pay only \$235 (Incl. GST and booking fee). *Conditions apply. Applicants must be accepted into the camp and make the Early bird payment of \$235 before September 30 2019.

Celebrating our school spirit!

The values of Vincentia High School are:

Respect, Responsibility & Personal Best

This weeks recipients are:

Daniel Hassett - Daniel has taken significant strides over the past term in ensuring he's making the best decisions for his learning and contributing to a more cohesive learning environment.

Macie Wilson- Consistently striving at achieving her personal best.

Dominic Zoratto- Continually arriving on time, in uniform and listening respectfully during Roll Call.

Jack Samuel - Improved attendance and effort during class

Alinta Broadhurst- Consistent effort in class

Ryan Kelso

Drew Charles

These values can be shown in many ways within the school community.

It is these actions of our students we, as a school, are proud of and wish to acknowledge.

Each week during the Wellbeing period students from any year, will receive a FREE movie ticket to the Huskisson Cinema as recognition of their Vincentia High School spirit.

Tickets have been very generously [donated](#) to the school by

NOTICE REGARDING THE USE OF CAMERA SURVEILLANCE ON SCHOOL PROPERTY

For the safety of our students, staff and visitors, Vincentia High School will be utilising camera surveillance equipment for security purposes.

In our school Close Circuit Television (CCTV) cameras will be located in areas such as:

- school entrances
- corridors
- computer labs
- ovals
- playgrounds
- bike sheds

CCTV cameras are **NOT**:

- hidden or covert
- located in private areas such as toilets, changing rooms or staff rooms
- used to monitor the quality of teaching

A number of notices will be displayed to alert people of the presence of CCTV cameras. Please be assured that CCTV footage will only be accessed if required in the case of criminal behaviour, inappropriate behaviour (ie vandalism or if disciplinary action is needed), to verify incidents where a person has sustained injury, loss or damage on school premises or to provide the Principal with visual coverage during emergencies. CCTV footage is kept for no more than 60 days, unless required for the abovementioned purposes.

Footage is only accessed for the purposes set out above and only by the following people:

- The Principal or nominee, including people explicitly authorised by the Principal (eg. Members of the school's IT department, executive staff members);
- Department of Education staff, when required to assist the school for an abovementioned purpose; and
- Any other people permitted by law.

Any person on school premises may be captured on CCTV footage. The Principal cannot give copies of CCTV footage to staff, students or parents.

Healthy canteen accreditation

Congratulations to Mary and our canteen team for being awarded the NSW Health - Great Choice Healthy School Canteen accreditation. This means that our canteen now meets the revised healthy school canteen strategy - making the healthy choice the easy choice. The canteen ladies are beyond excited to have their oven installed and are looking forward to baking up a storm! They now have fresh baked muffins in banana, apple & blueberry or Cocoa priced at \$2, keep an eye out for more exciting flavours to come. The chicken breast and homemade meatballs are now oven baked and delicious. Freshly popped popcorn is only 50c as are mandarins!

Our canteen is open every day before school, recess and lunch. Lunch orders are welcome. The new menu is available on our website:
