

Welcome to our new Staff Member Mrs Tracy Johnson Warnecke Our new SAM

Vincentia High School would like to welcome our new School Administration Manager (SAM), Mrs Tracy Johnson Warnecke. Tracy has worked for the Department of Education for the past 9 years as a temporary employee and has been a Student Learning Support Officer and a relieving SAM at Huskisson Public School in 2017 and North Nowra Public School in 2018. This is her first permanent position with the department. Tracy attended many training days last year as a SAM for the new LMBR office system.

Tracy recognises that her new position will be a huge change from her previous role and looks forward to meeting all the staff and working with her team and the new executive staff members. Tracy lives locally and has a daughter here in Year 7.

Sailing in Hiroshima, Japan.

GREAT THINGS ARE HAPPENING IN OUR SCHOOL CANTEEN

What has happened

There is a new NSW Healthy School Canteen Strategy and our school canteen has worked hard to achieve this and create a healthier school community for our students.

The NSW Government's strategy aims to promote health and well-being of your child in all government primary and high schools, by providing healthier food and drink choices to encourage healthy growth and development.

What you may have noticed

- Promotion of healthier food and drink choices.
- Reduction in sugary drinks and unhealthy food.
- More fresh food available for our students.
- Changes to portion sizes of food and drinks to meet the strategy.
- A new attitude towards food.

Please continue to support your school canteen as we actively continue to create a healthier school for all. Please also remember volunteers are always welcome and if you are interested please contact our canteen manager.
